"WOW!!! Joshua Lozoff was amazing, not only in his show but as a person. Great interaction with audiences of all ages. Amazing stage presence. Sense of humor, great voice, super timing. What really impressed me was the way he came into our lobby after the show and talked with the fans, signed autographs, and smiled for pictures. We would love to have him back."

Rahn Hutcheson, Executive Director  
Averitt Center for the Arts  
Statesboro, GA

"Joshua exceeded our expectations. He was overwhelmingly gracious from booking to marketing, to outreach, to performance. The almost sold-out audience loved him and his ability to connect with the crowd. It was one of the easiest and most satisfying shows yet this season. We highly recommend this performance to other Presenters. You won't be disappointed!"

Rae Geoffrey, Managing Director  
Wortham Center for the Performing Arts

"This performance deftly blends the theater of magic with the magic of theater. Audiences buzz about what they've seen long after Joshua's astonishing shows are over."
